

# Duro Mask™

- Co-Ex surface protective film
- QuikPeel™ adhesive
- Enhanced durability masking

## SURFACE PROTECTION FILM

Main Tape manufactures surface protection films with eco-friendly QuikPeel™ adhesives. DuroMask™ co-ex film has been created to prevent damage of exposed or vulnerable surfaces during forming and fabrication of your products. These co-ex films remove easily without tearing, leaving no adhesive residue or film markings behind. DuroMask™ high performance durable masking takes the hassle and mess out of using surface protection films.
