Pallet Guard™

Pallet Guard™ is a paper tape product used by t-shirt printers to protect printing pallets from ink spills and spray adhesives. Cleanup becomes much easier. **Pallet Guard™** removes easily and leaves no residue on the pallet, saving up to 75 percent of your cleanup time.

Main Tape™ manufactures a full line of products specifically developed for positioning and protecting graphics. We are committed to our products and will train your staff on the features, benefits, trends and product applications. The results are nothing short of perfection.
