GXDSF-S

Double-Sided Tape

Main Tape's installer-friendly **PerfectTack™** double-sided tape is Perfect for all-purpose bonding for banners, graphics and sign making applications. Our multi-purpose tape bonds to vinyl, plastic and smooth or textured surfaces and holds up in extreme cold, heat and humidity. The adhesive is aggressive enough to adhere to irregular surfaces and holds up well to water and moisture.

Main Tape manufactures a full line of paper tape products developed for positioning and protecting graphics. We are committed to our products and know your results will be nothing short of perfection with our line of Perfect brand products.
