- ◆ *Smooth release, even after storing RTAs.*
- ◆ *Tears easily with no legging.*
- ◆ *Sticks to slick silicone release liners.*

PerfectTear Plus™ with LFA Paper Application Tapes

Main Tape's installer-friendly **PerfectTear Plus™** paper application tapes take the best characteristics of our **PerfectTear™** tapes *plus* they lay and stay flat. **PerfectTear Plus™** tapes tear cleanly, perfect for all-purpose sign shop applications. Our improved adhesive system is extremely forgiving, yet sticks to silicone-type vinyl release liners for easy transfer. If adhesive touches adhesive, **PerfectTear Plus™** pulls apart easily. Clean, slit-to-order edges provide easy unwinding of tape rolls. **PerfectTear Plus™** also offers improved adhesive stability for long-term storage of RTA graphics.

Main Tape™ manufactures a full line of products specifically developed for positioning and protecting graphics. We are committed to our products and will train your staff on the features, benefits, trends and product applications. The results are nothing short of perfection.
