PreView™ Plus with LFA Application Films

PreView™ Plus application films feature exceptional clarity for easy registration of multiple colors or layers. Utilizing a rigid stock, **PreView™ Plus** films lay flat for trouble-free shipping. Plus, there is no static or tunneling. When it comes to storage of taped vinyl, **PreView™ Plus** exhibits little or no adhesion growth and the unique surface accepts pen or pencil — allowing for marking lines, registration marks and written notes.

Main Tape™ manufactures a full line of products specifically developed for positioning and protecting graphics. We are committed to our products and will train your staff on the features, benefits, trends and product applications. The results are nothing short of perfection.
