

Quik Mask™

SURFACE PROTECTION FILM

- LDPE Films
- QuikPeel™ adhesive
- Quality general purpose masking

Main Tape manufactures surface protection films with eco-friendly QuikPeel™ adhesives. QuikMask™ LDPE film is designed to prevent scratches, marring or staining of exposed surfaces during manufacturing, assembly and shipping of your products. A range of tack levels are available for a variety of applications, including high-gloss painted surfaces. Easy to apply and easy to remove, our QuikMask™ high performance protective masking takes the hassle and mess out of using surface protection films.
